

Your anytime, anywhere healthcare benefit

Connect with healthcare professionals and start feeling your best.

General Medical

Need care for non-urgent and common conditions? Talk to a U.S. board-certified doctor by phone or video 24/7 from wherever you are. Our doctors diagnose, treat and even prescribe medicine if needed.

free/visit

Dermatology

Dealing with a rash, acne, eczema or another skin issue? Start an online skin review with a dermatologist by uploading images and details of your concern. Get a treatment plan and prescription if needed in 24 hours or less.

free/online review

Mental Health

Have real conversations and see real progress with a therapist or psychiatrist of your choice. Available 7 days a week from the privacy of your own home.

Therapist free/visit

Psychiatrist free/first visit

Psychiatrist free/ongoing visits

Nutrition

Nutrition is different for everybody. Work with a registered dietitian to help with things like meal planning, healthy eating tips or even managing a condition like diabetes or high blood pressure.

free/visit

Set up your account or log in to schedule a visit.
