Important Questions	Answers	Why This Matters:
What is the overall deductible ?	For <u>network providers</u> only: \$1,500	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay.
Are there services covered before you meet your deductible ?	Yes. Preventive care, office visits, and emergency room are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven’t yet met the deductible amount, but a <u>copayment</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don’t have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan ?	For network provider \$8,700 individual/ \$17,400 family	The <u>out-of-pocket</u> limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket</u> limit has been met.
What is not included in the out-of-pocket limit ?	Not Applicable.	This <u>plan</u> does not have an <u>out-of-pocket limit</u> on your expenses.
Will you pay less if you use a network provider ?	Yes. See www.ufcwnationalfund.org or call 201-569-8801 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan’s network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider’s</u> charge and what your <u>plan</u> pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
