Coverage for: Individual + Family | Plan Type: PPO

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$250 Individual/ \$750 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Well child care and children's immunization are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the deductible amount, but a <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	Yes, \$350 for out-of-network inpatient services.	You must pay all the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$2,000 Individual	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the <u>out-of-pocket limit</u> ?	Copayments, employee premiums, balance-billed charges and healthcare this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.ufcwnationalfund.org</u> or call 201-569-8801 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

* For more information about limitations and exceptions, see the plan or policy document at www.ufcwnationalfund.org.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
