Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	For <u>network providers</u> \$2,500 individual/\$5,000 family; <u>out-of-network providers</u> \$2,500 individual/\$5,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. Preventative care, Rx drugs and hospice care are covered before you meet your deductible.	This plan covers some items and services even if you haven’t yet met the deductible amount, but a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">http://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No.	You don’t have to meet <u>deductibles</u> for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	For <u>network providers</u> \$4,000 individual/ \$8,000 family; <u>out-of-network providers</u> \$5,000 individual/\$10,000 family	The <u>out-of-pocket</u> limit is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket</u> limit has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Employee premiums, balance-billed charges and healthcare this plan doesn’t cover.	Even though you pay these expenses, they don’t count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. See <a href="http://www.ufcwnationalfund.org">www.ufcwnationalfund.org</a> or call 201-569-8801 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan’s network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider’s charge</u> and what your <u>plan</u> pays (balance billing). Be aware, you <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
