Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	For <u>network providers</u> \$300 individual/ \$600 family; <u>out-of-network providers</u> \$1,000 individual/ \$2,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Preventive care, physician office visits, outpatient diagnostic tests, emergency room and urgent are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven’t yet met the deductible amount, but a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don’t have to meet <u>deductibles</u> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For <u>network providers</u> \$5,000 individual/ \$10,000 family; <u>out-of-network providers</u> \$10,000 individual/ \$20,000 family	The <u>out-of-pocket</u> limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket</u> limit has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Employee premiums, balance-billed charges and healthcare this plan doesn’t cover.	Even though you pay these expenses, they don’t count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.ufcwnationalfund.org">www.ufcwnationalfund.org</a> or call 209-952-6533 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan’s network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider’s charge</u> and what your <u>plan</u> pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
