I did not expect that kind of service. You guys are great! Please thank Laura for all of her support.

Joseph

I am so thankful for the support I get from Conifer, especially the nurses you have assigned to me.

Anne has been so helpful! Thank you, thank you!

Donna

I wish everyone was as helpful, even just listening like Anne did. She was awesome!

Michael

Anne was very helpful and I always enjoyed talking with her.

Paul

Anne is a very good nurse – beyond miraculous! If I had questions, she had the patience of a saint and explained them. I am so thankful for the kindness and grateful for Anne being so knowledgeable.

Conifer is so lucky to have her on their team!

Karen

I thought it was great to have Anne... she was very helpful to me and my family.

I was glad to have her to ask for her opinions and her help with my care.

Thanks a lot. I appreciate it.

Bradley

Anne was very helpful. She called after I got home from the hospital then followed up as well.

It was nice to have a professional to ask questions.

Kathleen

Anne is great! She went above and beyond to help me.

Janet

Anne was able – with one or two phone calls – to get [home care nursing services] to call me back and get someone [to visit me] immediately when they wanted to wait before coming out.

She also called several times to check on me and told me that if I ever needed any other assistance to call her.

Bernadette
