Delta Dental's *Oral Health Enhancement Option* enables you to receive up to four dental cleanings and/or periodontal maintenance procedures in any combination per benefit period if you have been treated for periodontal (gum) disease in the past. For the additional dental cleaning and/or periodontal maintenance procedures to be covered, you must have had periodontal surgery or periodontal scaling and planing in the past. Details on how to qualify can be found in your benefit booklet.

Over 300,000 participating dental offices nationwide participate with the national Delta Dental system, although you may choose any fully licensed dentist to render necessary services. Participating dentists will be paid directly by Delta Dental to the extent that services are covered by the contract. Non-participating dentists will bill the patient directly, and Delta Dental will make payment directly to the subscriber. **Maximum benefit may be derived by utilizing the services of a participating dentist.**

Visit your own dentist. If you do not have a dentist, there is a directory available with your plan administrator listing participating dentists. You may call **1-800-DELTA-OK** and a list of participating dentists located in your area will be mailed directly to your home or you may access our Website at www.deltadentalnj.com.

During your FIRST appointment, tell your dentist that you are covered under this program. Give him/her your Group's name, its Delta Dental Group Number and your Member ID number.

If you have any questions regarding your Delta Dental Premier benefits, you may contact our Customer Service Department Monday through Thursday, 8:00 a.m. to 6:30 p.m. EST and Friday, 8:00 a.m. to 5:00 p.m. EST, at 1-800-452-9310.
