| What is the overall <a href="#">deductible</a> ?                                | For <a href="#">network providers</a> \$2,000 individual/\$4,000 family; <a href="#">out-of-network providers</a> \$4,000 individual/\$8,000 family      | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this plan begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .                                                                                                                                                                                                          |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. Preventive care is covered before you meet your deductible.                                                                                         | This <a href="#">plan</a> covers some items and services even if you haven't yet met the deductible amount, but a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                                                                     |
| Are there other <a href="#">deductibles</a> for specific services?              | No.                                                                                                                                                      | You don't have to meet <a href="#">deductibles</a> for specific services.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | For <a href="#">network providers</a> \$9,200 individual/\$18,240 family; <a href="#">out-of-network providers</a> is unlimited.                         | The <a href="#">out-of-pocket</a> limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket</a> limit has been met.                                                                                                                                                                                                                                                                                                                                                            |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | Employee premiums, balance-billed charges and healthcare this plan doesn't cover.                                                                        | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="http://www.UFCWS.com">www.UFCWS.com</a> or call 201-569-8801 EST or 209-952-6533 PST for a list of <a href="#">network providers</a> . | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (balance billing). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost-sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.
